Copyright law strictly limits the use of audio or video recording devices during any performance. No audio or video recording device, whether or not in use, is permitted in the place of performance without prior permission of the Society. Any persons found in possession of any such device will be required to leave immediately, and the tape, film or other recording media will be confiscated and any unauthorized recording erased or destroyed. Our enforcement of the copyright law protects you and us, but most important, it protects the copyright owners who have made our performance possible. Your cooperation and support is appreciated."
