

Wild Pitch is a new quartet of old guys who connected their love of barbershop with their affection for the game of baseball. They also sing together with the Men of Independence in Cleveland, Ohio, the home of sports heartbreak. Their rep is peppered with baseball

parodies and songs you'd hear at the old ball game. Members include tenor Dan "Boog" Lenahan, lead Rusty "Brewster" Cates, bass Dennis "Stig" Castiglione and baritone Dave "Slife" Slife.
